

Growing with our community ...

Stockton Medical Plaza

2505 West Hammer Lane

- **70,000 square feet**, with spacious exam rooms and patient-friendly features that allow our staff to better care for your health care needs.
- **The latest medical technology**, including electronic medical records.
- **Laboratory and imaging services** including a 64-slice CT scanner, MRI, digital mammography and bone density screening in one convenient location. (Lab and imaging services will open in December '06).
- **Gould Medical Group physicians** - one of the most respected physician groups in the Central Valley.

For further information about our physicians, visit thedoctorforyou.com.
